

Summary of Knowledge and Skills GF 1 Chapter 3

By Christopher Schlegel

Having viewed the lessons in this chapter on Introduction to Chords, you should have a basic understanding of the following things:

The Mechanics of Fretting Notes.

How to play simple versions of C major and G major chords.

How to change back and forth between C and G major chords in time.

How to play simple versions of A minor and E major chords.

How to change back and forth between C major and A minor chords in time.

How to change back and forth between A minor and E major chords in time.

You can always return to these lessons at any time in the future as long as you are a Guitar Tricks subscriber. They are always here for your reference and convenience.

If you think you have a good understanding of these things, then you are ready for the next chapter of the Guitar Fundamentals 1 Course!
