

C Major In 4's Up and Down

By Christopher Schlegel

This time we have the C major scale in a sequence of 4's. This means we will start on the 1st scale degree and play up the scale 4 notes, then start on the 2nd scale degree and play up the scale 4 more notes. And so on until we reach the high C. Then we do the entire thing in reverse. I encourage you to repeat this over and again also.
