*“Woven from the fantasies and private mythologies particular to each person, the **individual inner book** is at work in our desire to read—that is, in the way we seek out and read books. It is that phantasmagorical object that every reader lives to pursue, of which the **best books he encounters in his life will be but imperfect fragments**, compelling him to continue reading.”*

Pierre Bayard, *How to Talk About Books You Haven't Read*

*“Somehow your intuition already
knows who you want to be.”*

Steve Jobs, Stanford Graduation Speech
